First Call for Paper

4th International Conference on Axiomatic Design

ICAD06

Polo Scientifico Viale Morgagni
University of Firenze
Italy

13-16 June 2006

Call for Papers

Conference participants are encouraged to submit a paper related to axiomatic design. All papers will be reviewed by independent reviewers. All accepted papers will be published as a book, and CD-ROM. All papers must be original, unpublished and in English.

Topics of interest include, but are not limited to:

- design and development process
- concept synthesis and evaluation
- diagnostics and design improvement
- software design and development
- teaching & learning methods
- six sigma techniques and robust design
- integration with computer tools
- integration with other design methods
- large-scale & industrial applications, case studies, successes
- innovative application areas

Conference Venue

The conference will be held at the Scientific Centre "Viale Morgagni" of the University of Firenze in Firenze, Italy. Since it is held during the summer families are encouraged to attend since there are planned sightseeing activities in one of the most beautiful city of Italy. Firenze had been the heart of the Italian renaissance. Artists such as Michelangelo, Leonardo da Vinci, Giotto, Brunelleschi had left their signs in the city. The historic part of Florence is an high density concentrate of history, art and culture.

Important Dates

November, 2005	<i>Mailing of announcements and call for papers</i>
January 31, 2006	<i>Abstract due: 300 words maximum</i>
February 15, 2006	<i>Acceptance of abstract</i>
March 30, 2005	<i>Full papers due: 8 pages maximum</i>
April 15, 2006	<i>Early registration fees due</i>
June 13-16, 2006	<i>Conference</i>

Conference Schedule

June 13, 2006
Education on Axiomatic and Robust Design

June 14-15, 2006
Paper Presentations

June 16, 2006
Excursion

June 17-18, 2006
Trip to Historic Places (Minimum of 20 People Needed)

Abstract submission

The abstract may be submitted by post, fax, or email. The abstracts should include the following: title, author's full name, affiliation and address, email address, telephone, and fax number. Submission of a paper implies that it has not been submitted or published elsewhere. Authors of accepted papers will be expected to sign a copyright release form to allow the publication of the proceedings. At least one author of each paper is required to present the paper at the conference.

The abstract could be sent at the following reference:
